Ocean Freight

Max Falcon Customs Broker L.L.C. provides comprehensive ocean freight solutions designed to meet your shipping needs across the globe. We offer Full Container Load (FCL) and Less than Container Load (LCL) options, catering to a variety of cargo types, including oversized, heavy, and hazardous materials.

Our strong partnerships with top-tier ocean carriers enable us to deliver competitive rates, flexible schedules, and extensive route options. From cargo booking and consolidation to customs clearance and thorough documentation, we manage the entire shipping process, ensuring that your goods arrive safely and on time.

Air Freight

Max Falcon's air freight services offer fast, efficient, and secure shipping solutions for time-sensitive cargo. Whether you need express, standard, or economy air freight, we provide flexible options that meet your deadlines and budget.

Our air freight services include cargo handling, flight booking, customs documentation, and real-time tracking, ensuring your shipments are managed with speed and precision from origin to destination.

Customs Clearance

Max Falcon simplifies the customs clearance process with expert services that ensure compliance and minimize delays. Our experienced customs brokers handle all aspects of customs documentation, tariff classification, and duty payments, navigating complex regulations on your behalf.

We work closely with customs authorities to expedite the clearance of your shipments, providing seamless and efficient service from start to finish.

Warehousing

Max Falcon offers state-of-the-art warehousing solutions that provide secure storage and efficient inventory management for your goods. Our facilities feature advanced technology, including temperature control, real-time inventory tracking, and robust security systems.

We provide a full range of services, from storage and order fulfillment to packaging and distribution, supporting your logistics needs with flexible, scalable solutions.

Cargo Insurance

Protect your shipments with Max Falcon's comprehensive cargo insurance, designed to cover a wide range of risks, including loss, damage, and theft. Our insurance policies are tailored to your specific cargo type, value, and route, providing the right level of coverage to safeguard your goods throughout the shipping process.

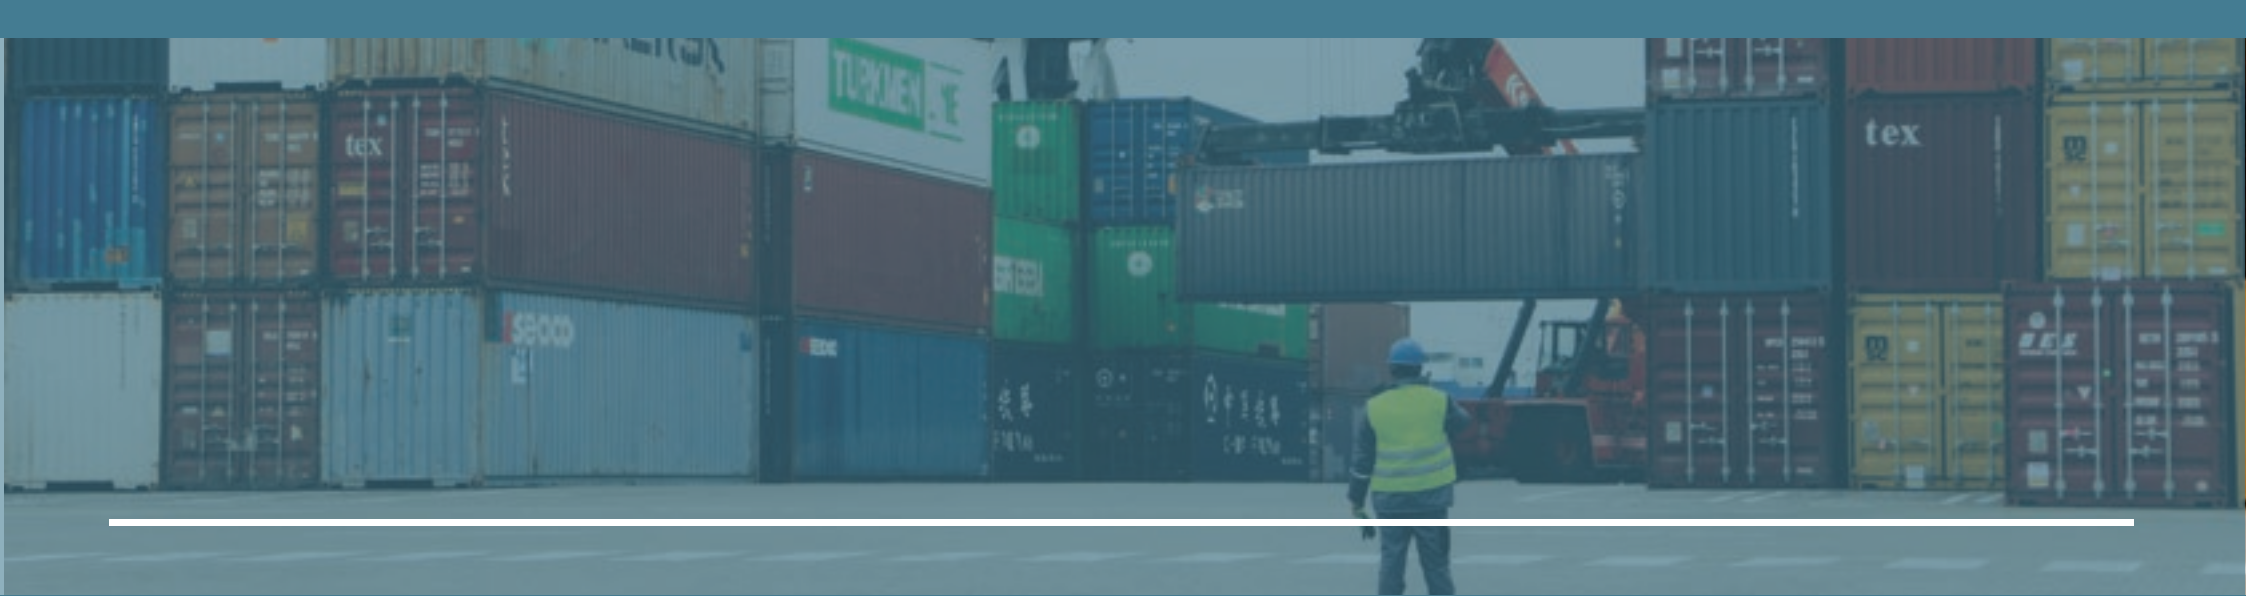

We offer straightforward and efficient claims handling, ensuring quick resolutions in the event of any unforeseen incidents.

Cargo Handling

Max Falcon's cargo handling services ensure that your goods are treated with care and expertise at every stage of the logistics process. Our team is trained in handling a wide variety of cargo types, from delicate items to oversized and hazardous materials.

Using advanced equipment and proven techniques, we ensure your cargo is loaded, secured, and transported with the highest standards of safety and efficiency.
